OLIVE OIL

DESCRIPTION	Weight	Price	
PLASTIC BOTTLE	30 ml.	1,00 €	Homemade Extra Virgin Olive Oil with an acidity of less than <0.8% from the Peloponnese. The characteristics of olive oil are as follows, green to green-yellow color, with intense fruity taste and excellent aroma of fresh fruit, due to the high proportion of volatile aromatic substances. Extra virgin olive oil without added water, with cold processing, ideal for salads and all meals.

EXTRA VIRGIN OLIVE OIL FROM MESSARA WITH 0,2% ACID	250ml	3,50 €	The olive oil juice is extracted under cold pressure conditions and is bottled under strict supervision and quality control, according to European standards. The extra virgin olive oil we use in our products is produced from the first pressing of the olive fruit and contains less than 0.5% acidity. . This first olive oil is famous for its quality and wonderful taste. Our products are natural, without added chemicals, delicious, with a characteristic pleasant aroma and high nutritional value. In addition, in collaboration with selected producers, our company has created a new innovative product, the Extra 0.2. A product of high aesthetics with light taste, unique organoleptic characteristics and very low acidity up to 0.2%.
